Seaplanes At Patricia Bay

Two seaplanes and a barge belonging to the Royal Canadian Air Force are now stationed at Patricia Bay next to the old C.N.R. wharf, near the Patricia Bay Service Station, where we understand a temporary base has been set up with a view to becoming one of a permanent nature if the experiment proves satisfactory.

Arrangements are under Squadron-Leader E. L. McLeod of the R.C.A.F.

From information received we understand that officers and men accompanying the planes will number approximately 20, some of whom have already taken up residence at Captain Dayne's place, and at the former summer home owned by Dr. Newton, while others will make their home on the barge, which has accommodation for a limited number.

YES, OLYMPIC BOXERS COPY EGYPTIANS

Agree With Pyramid Builders That Fish Is Valuable Diet For Strenuous Tests

It is a stretch from the pyramids of ancient Egypt to the pylons of modern Germany but it has been spanned by an experience of the British Olympic boxing team.

The manager of the team highly recommends fish as food for athletes in training. Recently the whole team sat down to a fish supper at a famous London fish and seafood restaurant and members echoed the coach's opinion that "a fish diet, and only, was proper when training."

The Olympic team however, a writer says, is only putting into practice a principle known long ago to the men who drove the slaves who built the pyramids. They were well aware of the sustaining qualities of fish and the workman on those ancient pyramids were fed almost exclusively on this food.

Today physicians and dietitians are strongly on the side of fish as an important article of diet. A plentiful source of proteins, vitamins and minerals is present in all fish foods. Cod livers have been used medicinally for a long time and only a few years back halibut livers were also discovered to be of considerable medicinal importance and the discovery set drug and medical houses buying up all the halibut livers in sight. In sea fish there is an abundance of iodine and inland people have no better food for the prevention of goitre than sea foods.

According to leaders of the fish industry, the current Canadian crusade to promote the consumption of fish is making people more aware of its health value and tastiness and the public appetite is rapidly becoming a staunch ally of doctor and dietitian.

LOCAL JERSEY CATTLE CLUB MEETING

C. E. Jeffery Heard At December Meeting

A well attended meeting of the Saanich Jersey Cattle Club was held on Dec. 4th at W. D. Michell's with H. E. Burbridge in the chair.

The quarterly batch of records of production were inspected. Messrs. Horsland, Macdonald and Aylard headed the list with the larger numbers of records. The members recommended for the directorate of the B.C. Jersey Breeders' Association were H. E. Burbridge and A. W. Aylard.

C. E. Jeffery of the Experimental Station at Nanaimo read a paper covering the subject of pastures. His recommendations for annual pastures were cereal grains of which oats were the best feed and a mixture of oats and fall rye—the crop which provides food for a longer period. For temporary pastures suitable here he advised a four-year rotation: 1, corn with manure; 2, oats; 3, clover hay (seed sown with oats); 4, grass hay or pasture (seed sown with oats). For permanent pastures grasses and clovers were recommended and mixtures of seed to suit various types of soil were given.

Questions were answered at the finish and the meeting thanked the speaker for a very instructive lecture. The annual meeting of the club will be held at Babinecombe on Jan. 11th, 1937.

As always, the bridge party of the Holy Trinity Church Guild was unusually popular. Fourteen tables were in play at St. Augustine's Hall, Deep Cove, on Tuesday, Dec. 8th, and a very interesting evening is reported.

Business was brisk at the home cooking stall, while the following were prize winners at bridge: Contract, first, Miss Herchmer; second, Mrs. Baker; third, Captain Livesey. In auction Mrs. C. F. Gibson made the highest score. Delicious refreshments were served at the close of the evening.

By Review Representative
GANGES, Dec. 16.—An increasingly popular event took place recently in the Mahon Hall, Ganges, when nearly 300 guests attended the Twelfth Annual Military "500" and Social Evening organized by the Catholic Ladies' Altar Society of St. Spring Island. Rev. Father Scheelen acted throughout the evening as master of ceremonies. The hall was attractively arranged with evergreens, masses of holly and paper streamers, holly being used for the supper tables.

Forty-five tables took part in "500" and the first prize winners were E. Nelson, Art Pedcault, Mrs. Dewhurst and Miss Ida Dewhurst. After four tables drew for second prize the winners were Mr. and Mrs. D. Fyvie, Geoffrey Beddis and George Fyvie. Special prizes given during the game were won by Mrs. H. Price and Mr. M. Gardiner.

ANNUAL MEETING

Church Guild Elects Officers

The annual meeting of the Women's Guild of St. Andrew's was held last Wednesday at the home of Mrs. Deacon. There was a good attendance of members. The Rev. T. R. Lancaster was present and took the chair. After the rector had opened the meeting with prayer the members were asked to stand for silent sympathy with Mr. Harvey and son Dudley in the loss of Mrs. Harvey. Mr. Lancaster spoke of what a great loss it was to the community to lose such a fine woman as she was.

The election of officers then took place, resulting as follows:

President—Mrs. Ward.
Vice-president—Mrs. Kennedy.
Treasurer—Mrs. Toomer.
Secretary—Mrs. King (Mrs. Deacon declining nomination).

Sick Committee—Mrs. Deacon and Mrs. Ward.

Mrs. Carter was again elected to look after St. Andrew's Church. Mr. Lancaster thanked the members for their kindness to himself and Mrs. Lancaster since they came to the parish and outlined some phases of work for the future.

After adjournment the hostess, assisted by Mrs. Skinner, served refreshments, after which a pleasant social hour was spent.

During tea Mrs. Deacon read a letter which she received from her son, Mr. Alan Deacon, from Copernicus Radio Station (150 miles inside the Arctic Circle), which proved very interesting to the members.

I.O.D.E. HAD BUSY MONTH

Many Worthy Causes Aided—Over \$40 Raised For Hampers

By Review Representative
GANGES, Dec. 16.—The Ganges Chapter, I.O.D.E., held its regular monthly meeting at the home of Mrs. F. W. Faux recently. The president, Mrs. Desmond Crofton, was in the chair and 25 members present.

The treasurer reported that \$31 had been cleared by the sale of poppies on Remembrance Day. This sum had been sent in to Mr. T. F. Speed for the Salt Spring Branch of the Canadian Legion. The passing of the stocking sent to the chapter for contributions towards the Stewart Endowment fund had resulted in the collecting of \$5.55 for this purpose.

During the past month several members had raised, through individual efforts, as much as \$40 towards the Christmas hamper fund, with two more members to hear from.

The president reported that the play which had been arranged to raise funds for the blind of British Columbia had regrettably to be abandoned and the following committee was elected to organize a carol concert in its place: Mrs. J. Mitchell, Mrs. C. Springford, Mrs. Wolf Merton, Mrs. Holroyd Paul, Mrs. F. W. Faux, Mrs. A. R. Price, Mrs. A. Buchanan, Mrs. Desmond Crofton ex-officio.

The following committee was appointed to take in hand the purchasing of goods and sending them off in the Christmas hampers: Mrs. Frank Crofton, Mrs. C. E. Baker, Mrs. H. Johnson, Mrs. C. Macintosh, Mrs. Desmond Crofton ex-officio.

Mrs. G. J. Moutat requested help for a local family in need of assistance and for this purpose a sum of money was voted by the members.

Three new members read the oath of declaration, Mrs. A. R. Layard, Mrs. Holroyd Paul and Mrs. F. W. Faux.

Ten hostesses for the afternoon were Mrs. W. E. Scott and Miss Beddis.

HELP FILL HAMPERS!

I.O.D.E. Asks Support Of Citizens In Worthy Cause

Once again the Christmas season has arrived, and with it the thought of helping those less fortunate than ourselves. The Allies' Chapter, I.O.D.E., is making an urgent appeal to the public to help fill a number of Christmas hampers for needy families in the district. Boxes, for contributions, will be found in the stores in Sidney and Deep Cove. The hampers will be packed on Wednesday, Dec. 23rd, at 2 o'clock, in the workroom of the North Saanich Welfare Society. Make your own Christmas more joyous in knowledge that you have helped to make someone else happy.

JAPANESE WEDDING AT GANGES

First One Solemnized On Salt Spring Island

By Review Representative

GANGES, Dec. 16.—An exceedingly pretty wedding, which filled St. Paul's Church, Ganges, to capacity, took place at 11 o'clock on Saturday morning, Dec. 5th, when the first Japanese marriage on Salt Spring Island was solemnized, uniting Shigeko (Martha), the eldest daughter of Mr. and Mrs. M. Mikado, Ganges, and Mr. Natsuyoshi (Philip) Murakami, Ganges.

Rev. G. G. Nakayama, Vancouver, performed the ceremony, assisted by Rev. C. H. Popham, vicar of the parish. The service was conducted in English, the exhortations at the conclusion and the benediction were delivered in Japanese. The church was prettily decorated by friends of the bride.

The bride, who was given in marriage by her father, looked charming in a lovely gown of ivory white satin and silk lace, made on princess lines, flaring from the knees to floor-length and ending in a short train. An embroidered silk net veil was arranged in cap effect, held in place by a coronet of gardenias. She carried a shower bouquet of white and pink roses, white carnations and maidenhair fern.

The bride was attended by her two sisters, Miss Kazuko Mikado, as bridesmaid, was attired in an attractive floor-length tunic frock of pale blue crepe-backed satin, and carried a bouquet of pink carnations, chrysanthemums and maidenhair fern.

As flower girl, Miss Kuniko Mikado, in a short peach-colored crepe de chine frock with short puff sleeves, preceded the bride up the aisle carrying a basket of dark pink carnations and maidenhair fern.

Following the ceremony, reception, attended by about 90 guests, was held at the home of the bridegroom's parents. The large room was decorated with chrysanthemums and festooned streamers of blue and pink crepe paper. At a long table, at the head of which were the bride and groom, 60 guests sat down to the wedding banquet. The beautiful three-tier wedding cake was placed on a table apart.

Mr. Masuo Mikado, brother of the bride, in a short speech, welcomed the guests and expressed the pleasure felt by all at their presence at this, the first Japanese wedding celebration on the island.

In response, Mrs. V. C. Best thanked him and the hosts, in the name of the Canadians present, for the welcome and wonderful entertainment that had been extended to them. Mr. A. Okano, uncle of the groom, also made a speech in Japanese. Later in the day, Mr. and Mrs. Murakami left by steamer for Vancouver and Seattle. After a short honeymoon, they will make their home at Ganges. For going away, the bride wore a brown ensemble with matching accessories.

"COUNTRY STORE" IS BIG EVENT

300 Guests Gather For Popular Affair

W. D. Michell, as master of ceremonies, carried through a jolly evening last Friday when the Saanich Farmer's and Women's Institutes entertained approximately 300 guests in the Temperance Hall, Keating, at their annual "Country Store" and dance.

Fun and gaiety prevailed throughout the entire evening, a lengthy list of artists assisting with entertainment features, all of which were heartily applauded. Artists included Miss Eleanor Walker and Miss Freda Spencer, vocal solos; Little Miss Ross-Kelly, tap-dance; Miss Marjory Knott, acrobatics; Master Butler, vocal solo; Alex. Gunn, musical selections; while the Bill Billy Orchestra delighted the gathering again and again with their peppy selections. A novelty event of the evening was the performance by the trick dog owned by Joe Jenkins of James Island.

Dancing followed the evening's program. Hundreds of tombola prizes were given out to lucky ticket holders during the evening, among them being: Comforter, "Bad" Michell; cake, Mrs. Polson; stand-lamp, Mrs. A. Inger; turkey, H. Parker; goose, H. Dorrington; chocolates, Mrs. S. Shiner; doll, Miss Ross-Kelly.

GIFT SERVICE HELD SUNDAY

Gifts To The Number Of 57 Brought By Children

The annual gift service for the children of St. Andrew's Church was held last Sunday evening and took the place of the usual evening service. A large congregation was in attendance and the children presented their gifts (57 in number), which were received and placed beneath a very prettily decorated Christmas tree which had been set up in the chancel. These gifts will, as in former years, be given to one of Victoria's parishes where the Sunday school children are less fortunate than the Sidney children.

The familiar children's advent and Christmas hymns were sung and the service itself was designed for the children worshippers.

Notice was given at this service of the times of the Christmastide services. On Christmas Eve at 11:30 o'clock a midnight service will be held. There will also be an early celebration of Holy Communion on Christmas morning at 7:30 o'clock, followed at 11:30 o'clock by a choral celebration of Holy Communion. To this latter service the children of the parish were invited to attend. The Christmas Day service at Holy Trinity, Patricia Bay, will be held at 9:30 o'clock.

GIVEN NEW POSTS

Announcement was made recently of the appointment of E. P. Mallory, left, an executive assistant to the president of the Canadian National Railways and M. A. Metcalf, right, as assistant to the president. During his 40 years of railway service Mr. Mallory developed the system of operating control statistics that is in effect on the C.N.R. today and headed the railway's statistical bureau. He became assistant to the president in 1934, an office he relinquished to Mr. Metcalf who is one of the most popular of younger transportation men in Canada. Mr. Metcalf, who is well known in B.C., commenced his railway career in 1910 and has for many years been closely allied with Mr. J. C. Huntington, now chairman and president of the Canadian National Railways, as his secretary. The new appointments follow the retirement of Mr. J. C. Huntington, chairman and president of the Canadian National Railways and its subsidiary companies.

The morning of Friday, Dec. 11th, saw Sidney's fine new Post Office thrown open for service for the first time and the smiling faces of Postmaster Kennedy and Assistant Postmaster Whiting greeted scores of citizens as they gathered to receive their mail, testifying to the pleasure this building with its up-to-date equipment and facilities will give to them and to all who have cause to visit the local Post Office.

After waiting for over 20 years for this building it is now a reality and indeed a great asset to Sidney. The lot was purchased in 1914 by the Dominion Government for this purpose.

This building is a two-storey structure of brick with stone facings and is a credit to any district. In addition to the Post Office proper the building houses the rural mail delivery quarters and space for other offices, if necessary.

The living quarters on the second floor are now occupied by the caretaker and his family, Mr. G. Carter.

Knott & Jones of Victoria were contractors for this building which cost approximately \$18,000.

Many societies and organizations have been working on this project for years, but we believe it was due largely to the persistent efforts of the Sidney Businessmen's Association that this building became a reality and the citizens of Sidney and district can thank the members of this association for such a valuable asset to the district. The Post Office in any town governs, to a great extent, the first impressions gathered when entering a city, town or village, and it will be nice to know that the impressions gathered when entering our town will in future be nothing behind in this respect.

The members of the Sidney Businessmen's Association were, with one exception, 100 percent on the petition sent to the government at the time they were pressing the need of this structure, which goes to prove the old adage, "In Union Is Strength."

RECREATIONAL DANCE VERY SUCCESSFUL

Gym Classes Suspended Till After The Holidays

Friday evening last more than 150 enjoyed a very successful dance sponsored by the North Saanich Recreational Centre at the North Saanich Service Club. This function was so successful, both socially and financially, that the centre is going to hold another such on January 22nd. The usual dance program was pleasantly varied by the contributions of Miss Homer-Dixon and partners, as well as that of Miss Frances Bordo. Attending were several visitors from Victoria and neighboring centres. The hesitation and "spot" dances furnished much amusement. The dancing scheduled to close at one o'clock was considerably extended.

Gym classes are being suspended over the holiday season, the classes for men, through the courtesy of Chief Instructor Batechelor, reopening Monday, Jan. 4th, while those for girls and women will reopen Monday, Jan. 11th. New registrations will then be in order.

The centre is steadily adding to its equipment. Monday a new vaulting horse, a spring-board and an additional mat for tumbling were installed.

All interested in the Women's Gospel meetings are asked to note that there will be no meeting this month, the next to take place on the third Thursday in January at the Sidney Gospel Hall.

Advance notice is given to all those who took part in the St. John Ambulance course held by Scoutmaster Freeman King to the effect that certificates will be presented on Wednesday, Dec. 30th, at Rest Haven, at 8 p.m. The president of the St. John Ambulance Association will make the presentation.

The members of the Sidney Rifle Club will hold a handicap turkey shoot over the weekend. First prize will go to the high gross score and second to the high net score. The size of the prize birds depends on the number of members shooting so all members are asked to see the secretary if they wish to shoot. A team of young ladies will likely be formed soon, so get on your toes boys or take a back seat.
